

NURTURE

YOUR NEED FOR FREEDOM & ADVENTURE

NURTURE YOUR KNOWLEDGE FOR SAFETY AND LEARNING NEW SKILLS

How to be active in Scotland's outdoors, safely and responsibly.

We all have an inner need to learn and develop our skills, but sometimes we forget to nurture this need. Why not make this the year that you actively learn something new whilst exploring the great outdoors in Scotland.

Explore what gets your adrenaline pumping and your mind eager to know more. Wild Scotland members are perfect for feeding your curiosity as they provide guided tours and experiences where they will share their expertise and knowledge to help you increase your own skills. And most of all, you can have the best fun, safely and responsibly.

WATER BASED SKILLS

No matter if you are a novice to water activities or a seasoned water-baby, you can learn and enhance your skills in many ways. Scotland has a wealth of rivers, lochs and coastlines to enjoy all year round. Increase your skills and up your knowledge on water safety too.

TAKE A LEAP INTO SOMETHING NEW AND TRY COASTSTEERING

Great for a fun day out with friends and available to book across many regions in Scotland. Learn how to safely jump into various waters from different surfaces with the help of a skilled guide and all the right safety equipment.
